

## Gating Criteria

Criteria	Pres. Trump's Plan	Gov. Evers's Plan
Symptoms	<ul style="list-style-type: none"><li>• Downward trajectory of influenza-like illnesses reported over 14-day period; and,</li><li>• Downward trajectory of covid-like syndromic cases reported over a 14-day period.</li></ul>	<ul style="list-style-type: none"><li>• Downward trajectory of influenza-like illnesses over a 14-day period; and,</li><li>• Downward trajectory of covid-like syndromic cases reported over a 14-day period.</li></ul>
Cases	<ul style="list-style-type: none"><li>• Downward trajectory of documented cases over a 14-day period; or,</li><li>• Downward trajectory of positive tests as a percent of total tests over a 14-day period.</li></ul>	<ul style="list-style-type: none"><li>• Downward trajectory of positive tests as a percent of total tests over a 14-day period.</li></ul>
Hospitals	<ul style="list-style-type: none"><li>• Treat all patients without crisis care; and,</li><li>• Robust testing program in place for at-risk healthcare workers, including emerging antibody testing.</li></ul>	<ul style="list-style-type: none"><li>• Treatment of all patients without crisis care;</li><li>• Robust testing programs in place for at-risk healthcare workers; and,</li><li>• Decreasing numbers of infected healthcare workers.</li></ul>

## Progression through Phases\*

Criteria	Pres. Trump's Plan	Gov. Evers's Plan
Testing	<ul style="list-style-type: none"> <li>No criteria</li> </ul>	<ul style="list-style-type: none"> <li>Every resident with symptoms must have access to a test;</li> <li>Report results within 48 hours of a test; and,</li> <li>Conduct 85,000 tests per week, or about 12,000 per day.</li> </ul>
Tracing	<ul style="list-style-type: none"> <li>No criteria</li> </ul>	<ul style="list-style-type: none"> <li>Hire 1,000 individuals to conduct contact tracing; and,</li> <li>Implement a program to isolate or quarantine everyone who is infected or exposed to COVID-19.</li> </ul>
Tracking	<ul style="list-style-type: none"> <li>No criteria</li> </ul>	<ul style="list-style-type: none"> <li>Track the spread of COVID-19; and,</li> <li>Report on the Wisconsin Gating Criteria and other metrics.</li> </ul>
Personal Protective Equipment (PPE)	<ul style="list-style-type: none"> <li>No criteria</li> </ul>	<ul style="list-style-type: none"> <li>Procure PPE and other supplies to support health care and public safety agencies.</li> </ul>
Health Care Capacity	<ul style="list-style-type: none"> <li>No criteria</li> </ul>	<ul style="list-style-type: none"> <li>Assess the need for and readiness to support surge capacity.</li> </ul>

\*Pres. Trump's plan utilizes the gating criteria for progression through re-opening phases while Gov. Evers's plan uses separate criteria to progress through phases.

## Phases to Reopen

Phase	Pres. Trump's Plan	Gov. Evers's Plan
Phase One	<p>States and regions must satisfy the gating criteria:</p> <ul style="list-style-type: none"> <li>• Vulnerable individuals continue to shelter in place;</li> <li>• Limit groups to 10 or less people;</li> <li>• Continue social distancing;</li> <li>• Minimize non-essential travel;</li> <li>• Return to work in phases but encourage tele-commuting and close common places;</li> <li>• Schools currently closed remain closed;</li> <li>• Prohibit visits to senior living facilities and hospitals;</li> <li>• Large venues can re-open with social distancing;</li> <li>• Resume outpatient elective surgeries;</li> <li>• Gyms may open with social distancing; and,</li> <li>• Bars remain closed.</li> </ul>	<ul style="list-style-type: none"> <li>• Allow gatherings of up to 10 people;</li> <li>• Restaurants open with social distancing;</li> <li>• Remove certain restrictions including retail restrictions for essential businesses;</li> <li>• Additional operations for non-essential businesses;</li> <li>• Re-open K12 schools in-person operation; and,</li> <li>• Full operation of child care settings.</li> </ul>
Phase Two	<p>States and regions must have no rebound and satisfy gating criteria a second time:</p> <ul style="list-style-type: none"> <li>• Vulnerable populations continue to shelter in place;</li> <li>• Continue social distancing;</li> <li>• Resume non-essential travel;</li> <li>• Encourage tele-commuting and keep common areas closed;</li> <li>• Re-open schools;</li> <li>• Prohibit visits to senior care facilities and hospitals;</li> <li>• Allow both inpatient and outpatient elective surgeries;</li> <li>• Large venues may operate with moderate social distancing; and,</li> <li>• Bars may operate with limited capacity.</li> </ul>	<ul style="list-style-type: none"> <li>• Allow gatherings of up to 50 people;</li> <li>• Restaurants may resume full operation;</li> <li>• Bars may open with social distancing;</li> <li>• Non-essential businesses may resume operation with social distancing; and,</li> <li>• Post-secondary institutions may re-open.</li> </ul>
Phase Three	<p>States and regions with no rebound and satisfy the gating criteria a third time:</p> <ul style="list-style-type: none"> <li>• Vulnerable populations may resume public interactions;</li> <li>• Resume unrestricted staffing of worksites;</li> <li>• Visits to senior centers and hospitals may resume;</li> <li>• Large venues may operate with limited social distancing;</li> <li>• Bars may fully open.</li> </ul>	<ul style="list-style-type: none"> <li>• Resume all business activity and gatherings with minimal protective and preventative measures.</li> </ul>
